

# The greatest woman in history after the Mother of God?

## QUEEN ISABEL THE CATHOLIC

Isabel changed the face of the world

- Isabel saved Christianity in Europe
- sponsored the discovery of America
- began history's largest evangelization
- won the longest war in history
- codified universal human rights
- promoted women and prohibited slavery
- was a devoted wife and mother of five

Isabel magazine reveals a unique woman

who personifies what the Church has done for the progress of humanity  
Find out how Isabel is converting secular historians to the Catholic Faith
